## AWARDS

Congratulations to all of our fabulous KS1 GROW Award winners this week.

We are very proud of you all for demonstrating our GROW standards and for being a fantastic role model to the other children in our community. Well done!

24th – Children's last day in school

### June

3rd - Children back to school

### July

19th - Children's last day in school

## NEWS FROM THE FOREST

### Main Forest School

The children took advantage of the mud this week looking for worms that had come to the surface, We made wormeries to help keep our worms safe.

We worked in groups and used different resources to make different roofs for our dens to keep ourselves dry from the rain.

### Eco club

On Friday the 8th of March, we were asked by the Eye Parish Council to plant an oak tree in Eye Churchyard to commemorate the coronation of King Charles III.

The children all had a turn in planting the tree that was a 6-year-old oak tree and talked about the history of the tree and King Charles.

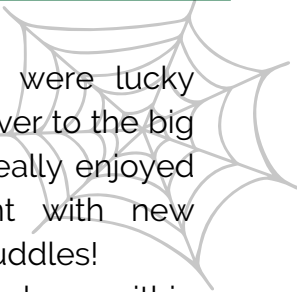

## NEWS FROM PRESCHOOL

### Caterpillars Class

This week in Caterpillars, we were lucky enough to have an adventure over to the big school forest area, where we really enjoyed exploring a new environment with new experiences and much larger puddles!

We have also been investigating bugs within our garden area this week. We created our own binoculars with junk modelling resources and found insects such as worms, ants and spiders!

We used more junk modelling resources to create homes for our bugs, discussing what we think they would enjoy in their homes and how we can care for them.

*Life in all its fullness*

## GROWING BEYOND SCHOOL

### Going for Gold!

Last Weekend, Elise S-T and Eden S-T competed at The Arnold Sports Festival hosted and attended by the movie star Arnold Schwarzenegger himself.

Eden won a Gold medal and a Bronze medal fighting in 2 categories and her sister Elise fought in 5 categories ranging from Karate, kickboxing and boxing in the ring where she won all 5 categories bringing home 5 golds.

Here they are pictured with 2 of the Gladiators- Dynamite and Steel from the BBC Gladiator TV show. Well done!

### Motocross Marvel!

Last Weekend, Harry managed to secure his first trophy in the junior class at motocross with very tough, muddy conditions. He came 6th overall. It's taken a years of hard training to get his first trophy on a bigger bike, with hopefully many more to come now! Well done!
