13th – Balance Bikeability – EYFS Only  
WC 13th - KS2 SATS Week  
24th – Children's last day in school

### June

3rd - Children back to school

# COLLECTIVE WORSHIP NEWS

In our Wednesday Collective Worship this half term, we have been revisiting the events leading up to Easter. Last week, we looked deeper into the story of Jesus entering Jerusalem on a donkey on Palm Sunday and this week, we have heard about Jesus washing his disciples' feet at the Last Supper. We spent some time reflecting and considering the following questions:

## Palm Sunday

**How would you feel in this crowd?**

- Worshipful
- A bit confused
- Very excited
- Included
- Not sure
- Good about myself

## The Last Supper

I wonder how it felt for the disciples to have Jesus wash their feet...

**Can you imagine a king washing the feet of his friends?**

We talked about how Jesus did this to set an example and to show his disciples that they too must care for and serve others. We talked about the words 'servant-hearted' and considered what we might be able to do to be servant-hearted. How can we take ownership to show love and care to others?

### EASTER HOLIDAY CLUB

We will be running the holiday club from Tuesday 2nd April to Friday 12th April.

Due to the popularity of the holiday clubs and in order for us to know numbers for staffing, we would ask that all booking forms and permission forms are completed and sent back to us by **Friday 22nd March** as we will need to cap our numbers.

An invoice will be raised and emailed to you and payment will need to be made upfront by Friday 22nd March. Failure to make the payment on time may result in your child's place being withdrawn.

If you would like your child to attend the holiday club and do not get the booking form to us by Friday 22nd March, there is a chance that a place will not be available and you will be charged the higher rates.

Please visit, phone or email the school office if you would like a holiday club form.

### NEWS FROM PRESCHOOL

#### Caterpillars Class

This week in Caterpillars, we have started our planting process (hoping that the good weather will return soon)!

We have planted our own herbs such as wild rocket and mixed salad leaves and we have planted some flower buds. During this process, we discussed the life cycle of a flower and what they need in order to grow!

We have also been discussing healthy and unhealthy foods, which led to us creating our own fruit salad and a discussion on oral health and dentists!

#### Butterflies Class

This week, ahead of St Patrick's Day, Butterflies class have been learning about the mischievous leprechaun and made multisensory collage rainbows to give him a place to hide his gold. They have also danced an Irish jig!

### GROWING BEYOND SCHOOL

Harlie passed her ski lessons this week and has done so well that she can now ski independently whenever she wants! All of her family are so proud and can't wait to see her in action! Well done Harlie! We are proud, too!

#### Spelling Shed

Dolphins	22,035,350
Jaguars	20,441,569
Koalas	20,191,283

#### Our top times table rockers are...

- Gerald > Wombats Class
- Thomas > Wombats Class
- Theo > Sharks Class

*Life in all its fullness*
