WORLD BOOK DAY 2024

After our wonderful author visit last week, we have had a fantastic day celebrating WBD24 and continuing our love for reading! Bookman was of course, here to mark the occasion.

Here is a snippet of our wonderful costumes! Which characters can you spot?

NEWS FROM PRESCHOOL

This week, Butterflies class have been learning about the famous stunt pilot Bessie Coleman and making model aeroplanes in honour of Women's Day. They have also been crafting beautiful gifts for Mother's Day.

In Caterpillars Room, they have been discussing emotions - what makes us happy and how can we make others happy. They have also been caring and attentive to others, reading stories around sharing and putting this into play within the home corner by playing turn taking games and using the outside equipment. They have created kindness/friendship stickers for their peers and discussed what friends do that makes us happy!

Next week, they will begin to explore their Spring topic and discuss mini beasts, life cycles, planting and growing!

NEWS FROM THE FOREST

Main Forest School

This week in the forest, we have been looking at how we can catch the rainwater and transporting it using the resources around forest school. The children made water catchers and water systems then watched the water flow. We talked about how we could clean our rainwater.

Little Forest School

In pre-school forest school, we wanted to check on our wildlife so we made binoculars and telescopes and attempted to identify what we could see around us.

Clubs start next week!

EASTER HOLIDAY CLUB

We will be running the holiday club from Tuesday 2nd April to Friday 12th April.

Due to the popularity of the holiday clubs and in order for us to know numbers for staffing, we would ask that all booking forms and permission forms are completed and sent back to us by **Friday 22nd March** as we will need to cap our numbers.

An invoice will be raised and emailed to you and payment will need to be made upfront by Friday 22nd March. Failure to make the payment on time may result in your child's place being withdrawn.

If you would like your child to attend the holiday club and do not get the booking form to us by Friday 22nd March, there is a chance that a place will not be available and you will be charged the higher rates.

Please visit, phone or email the school office if you would like a holiday club form.
