ESA FIREWORKS VOLUNTEERS

Don't forget to get your tickets for FIREWORKS NIGHT! The fireworks are organised purely by volunteers from our committee and without parent and staff helpers the ESA can't put on their events.

If you'd like to help with the fireworks event, anything from an hour to the whole event makes a massive difference.

Please message the ESA via their Facebook group or email esa.eyepriamry@yahoo.co.uk

BOOM READER

Boom Reader has launched in KS2 at Eye Primary! Don't forget to get started with the Boom Reader app at home now that logins have been sent home. Please follow the steps on the poster below:

PRESCHOOL NEWS

Caterpillars Class

This week in Caterpillars we have been exploring 'emotions'. We explored the story 'The Colour Monster' which allowed us to discuss different feelings through the use of colours.

We created our own colour monsters using tissue paper and glue. We mixed colours to see what happens and we categorised dinosaurs due to their property of colour.

Butterflies Class

This week in Butterflies we have been continuing to explore our current focus of 'Our Senses'. Throughout the week, the children have participated in a blindfold taste testing activity, and they took part in a smelling game where they made predictions of what each of the mystery scents could possibly be. The children have taken part in a wide range of creative experiences this week, such as painting with herbs and spices and making a texture collage. They have also created their very own musical instruments, such as shakers, which they then later used during a group music session.

THE HALL WAS ALIVE WITH THE SOUND OF MUSIC!

On Tuesday afternoon, we were delighted to welcome Peterborough Music School to Eye C of E Primary for two excellent performances. EYFS and KS1 enjoyed a singing and dancing workshop and KS2 enjoyed a drumming performance. The children were able to sing and dance as well as building on their musical knowledge and skills. They learnt about the importance of keeping in time with each other and about the different parts of the drum kit, The hall was filled with music and excitement!

CHURCH AMBASSADORS AT PETERBOROUGH CATHEDRAL

Some of our newly appointed Church Ambassadors for 2023-2024 were able to attend the Service of Thanksgiving and Dedication at Peterborough Cathedral on Thursday afternoon. It was a great first opportunity for these children to represent our school and they did so incredibly well.

OUR EYE COMMUNITY

The school have been made aware that there are some children around the village who are knocking on front doors and running away. This can be construed as harmless fun but it can also cause distress to the people that live there. In a close knit village with many door cameras, it is easy to identify children who are doing this. We speak regularly to the children of Eye C of E Primary School about showing our GROW standards of Gratitude, Respect, Ownership and Wisdom and we will be speaking to all children about showing these values outside of school as well. We would ask that you also speak with your children as appropriate about showing respect whilst they are out in the village. Thank you for your support with this matter as we work together to make our community in Eye a wonderful place to be.

NATIONAL POETRY DAY

We celebrated National Poetry Day in school on Friday with an exciting visit from poet Mark Grist. The children were able to be part of workshops with Mark throughout the day and explored the theme for this year of 'counting'. We heard about Mark's journey as a writer and each class worked with Mark to create a poem. Check out the class pages for videos of the classes' poems.
