National Numeracy Day 2025

Dear Parents and Carers,

We are excited to announce that our school will be celebrating National Numeracy Day on Friday 23rd May 2025. Our goal is to raise awareness of the importance of mathematics and to foster positive attitudes and confidence towards the subject.

To make the day fun and engaging, we invite children to come to school dressed in non-uniform clothing related to maths or numbers. Donations are not required for this. Some fun ideas include:

- Number characters (e.g., the number 7 with a costume)
- Maths symbols (e.g., plus, minus, multiply, divide signs)
- Famous mathematicians (e.g., Pythagoras, Ada Lovelace)
- Maths-themed costumes (e.g., a calculator, abacus, or geometric shapes)
- Number stories or patterns (e.g., costumes decorated with sequences)

Alternatively, children are welcome to attend in their regular school uniform if they prefer.

Throughout the day, pupils will participate in a variety of exciting maths-based activities and games designed to inspire a love of mathematics and develop their skills in an enjoyable way.

Thank you for your support in helping us make this a memorable and educational celebration for all the children.

Yours sincerely,

Miss Canham
Mathematics Lead
