Many items of school uniform are sold as a specific size not by age - if you are used to buying by age we advise that you measure your child and check the [Age/Inch comparison Size Guide](#) below.

Garment sizes in Inches are a "TO FIT" size therefore if your child measures a 26" chest we would advise you to order a 26" chest as garments are made to fit that chest size - only order a larger size if you are allowing room for growth.

There is one exception to this rule and that is **KNITWEAR** - please order one size larger than chest measurement.

We strongly advise that you measure your child and check the [Age/Inch comparison Size Guide](#) below.
