## GROWTH AWARD

Well done to all of the children who in Key Stage 2 who were chosen by their teachers to receive the GROWTH Award this week.

They were:

Aryanna in Sharks, Lilly and Elijah in Penguins, Bonnie in Dolphins, Zach in Meerkats, Patrick in Wombats, Sara in Zebras, Liana in Giraffes, Phoebe in Jaguars and Alicia in Tigers.

It is wonderful to hear about the ways in which these children are demonstrating the GROW standards.

10th - Backup Sports Day EYFS/KS1 (AM)

9th & 11th - Rocksteady Concerts 9.30am

16th - Year 6 Leaver's Church Service (PM)

19th - Children's last day in school

## NEWS FROM PRESCHOOL

### Caterpillar's Class

This week, our topic has been 'Dinosaurs'. This is due to the celebration of 'Dinosaur Day' on the 16th of May and again on the 1st of June.

This topic has allowed us to learn some interesting facts about dinosaurs! Did you know the name dinosaur means 'frighteningly big lizard'?

We have created our own dinosaur pictures using different shapes and materials. We have used the large tuff tray to set up our own dinosaur land using different outdoor materials such as rocks, soil and grass, and we have also created our own dinosaur footprint artwork!

Harlie managed to snap up not one but 5 proficiency certificates and badges at her gymnastics group over the weekend. What a superstar!

Well done to Joey for completing the Eye Fun Run who came 8th! WOW!

It was also fantastic to see so many of our children and parents taking part in this very hot and fun event. Well done!

## GROWING BEYOND SCHOOL

Well Done to Emily, Jasmine and Mateo for running in the Family Fun Run on Sunday!

### YEAR 3 SUPER WRITERS!

Year 3 have spent this week preparing for their English work to be displayed as part of Nene Park Trust's 'Peterborough Celebrates Festival' which is taking place this weekend (18th & 19th) at Ferry Meadows. The festival is a love letter to Peterborough and Year 3's information boards about how to care for the River Nene will feature to encourage the city to love our river. The festival is free to attend and will be a true celebration of all the things we love about our city.

Why not head on over to Peterborough & District Angling Association's stall to see the children's work take pride of place!

### NEWS FROM EYFS

First of all, we have some very happy news that Mrs Butler has had a lovely little girl called Florence!

On Monday, we visited Ark Dinosaur and Wildlife Park. We enjoyed seeing and learning about lots of different animals including snakes, Arctic foxes, llamas, monkeys and bobcats to name a few.

We also saw lots of dinosaur statues and had lots of fun learning more about all the different dinosaurs.

All children behaved impeccably and the EYFS team could not be prouder of them.

We would like to take this opportunity to thank all our amazing parent helpers for their help on the day.

On Tuesday and Thursday, we had balance bikeability. We learnt about the importance of wearing helmets, different parts of a bike and how to ride safely playing lots of exciting games.

What an action-packed week we've had!

### NEWS FROM YEAR 5

On Monday, children in year five had a fantastic time visiting Peterborough Cathedral to think about the impact belief in Salvation has on Christians.

We linked our educational visit to our Spring term RE learning as well as our History learning all about Katherine of Aragon.

As part of this, the children investigated how Katherine of Aragon demonstrated Salvation, linked Salvation to Edith Cavell and the sacrifices she made and went on a memorial hunt to look at different epitaphs around the cathedral.

They then created a memorial painting based on a significant individual and wrote an epitaph to accompany this.

The children and staff from year 5 would like to say a massive **thank you** to St Matthew's Church for contributing towards the cost of the visit and allowing us to have such a wonderful opportunity!

### Eco Club

We were given some seeds to celebrate World Earth Day, so we decided to plant them in our forest school garden area.

We then made plaques so people would know what we had planted and that it was for World Earth Day 2024.

We can't wait to see them grow!

## NEWS FROM THE FOREST

### Main Forest

This week in the forest, we designed and created our woodwork projects. Some of the wood needed a large saw, so we talked about tool safety and then worked in pairs to saw our wood. The children used a variety of tools to bring their designs to life.

### Little Forest

This week, we have been turning the mud kitchen into a Michelin star restaurant! We made mud soup, grass bolognaise and nettle pancakes all washed down with leaf milkshakes! The children loved extending it to potion making where we had slug and spider potions, although I'm not sure that the adults enjoyed being turned into frogs!

WELL DONE TO  
YEAR 6 FOR  
COMPLETING  
THEIR SATS!

# NOTICES

## Little Stories Festival

A free storytelling and activity festival for families with local authors and entertainers (including Ellie Sandall, Mark Grist and Jason Fenn) and community partners Central Park on Tuesday 28 May 2024 from 10am to 2pm

# Eye Neighbourhood Plan

Your village, your say

This is our opportunity as a community to influence the type of development we have in the village, where it takes place, and how it benefits all of us who live in Eye.

-  Village character and vision
-  Employment
-  Heritage and archaeology
-  Housing
-  Services, amenities and facilities
-  Traffic and transport
-  Sustainability and environment

Get Involved by contacting Eye Parish Council
