YEAR 4 TRIP

On Thursday, Year 4 went on a trip to West Stow, an Anglo Saxon village.

They had a great day consolidating and adding to their History learning from this term. In the morning, they explored the experimental reconstructions of Anglo-Saxon buildings. They thought carefully about what would have happened within each building and how it would have been used. They met together in 'the hall' to find out more from our guide, Ben, who was impressed with the children's existing knowledge and curiosity to find out more.

After a picnic lunch, which the children, and adults, were very ready for, they spent time in the museum where they could explore the archaeological finds from the site and handle some replica objects.

The journey home was a mixture of singing and sleeping but a great time was had by all.
