19th - Children's last day in school

September

3rd and 4th - INSET DAYS (Children not in school)

5th - Children back to school!

October

25th - Children's last day in school

(Half term)

November

4th - Children back to school

WE WISH YOU ALL A SUPER SUMMER AND WE ARE VERY EXCITED TO WELCOME YOU BACK IN THE NEW 2024-2025 ACADEMIC YEAR!

OH, I DO LIKE TO BE BESIDE THE SEASIDE!

On Monday, Year 2 went to Hunstanton for their summer term trip.

Fortunately, the weather was good, and the children had lots of fun on the beach, paddling in the sea and building sandcastles. After an ice-cream, they headed to the Sealife Centre where the children learned all about the creatures that are found on the coast.

The children had the opportunity to touch a starfish and enjoyed finding out about all the animals.

FOREST SCHOOL NEWS

This week, we have been reflecting on our year in the forest: what we have enjoyed, and the season changes. We sat around the fire and talked about our favourite sessions and how we could make our time in the forest even better,

Some children drew pictures to show their love and interest in the forest, and some just used their words, but it was nice to hear that the children and staff have enjoyed their time in the forest.

The last thing the children needed to do was tidy the forest; we chatted about how important it was to tidy up and put things away and helping our forest regenerate and regrow while we were on our summer holidays, Hopefully, we will get some nice, sunny weather to encourage the new growth.

Thank you to all the parents, grandparents, and careers who have supported Forest School this year by washing all the mud off the children's clothes and faces... we appreciate it!

Have a lovely Summer see you next term!

From the Forest School Team

GROWING BEYOND SCHOOL

Well done to Joshua, who does so much in his spare time for the church at Eye, He has helped raise money for the church at many events, is a key part of a faith club on Sundays and has a real passion for helping- consistently demonstrating the GROW standards that the school embraces and taking these out into the wider community. On Saturday, he worked so hard helping with the running of the games, where he raised £700 and £200! WOW! We are absolutely thrilled to see you GROWing so much out of school!

Noah, with his football team, won the recent Thorney FC tournament and scored some fantastic long-range goals. WOW! Well done, Noah!

Last Saturday, the Eye Junior FC presentation day was held. Theo was awarded his second trophy for being chosen as "Most Improved Player". Miguel was chosen as "Players Player". WOW! Congratulations to you both!

'Poppy attended her first KYT ball and awards on Saturday after joining 5 months ago and she won an award for 'Outstanding Group Contribution' in Musical Theatre. WOW! Well done, Poppy!

WE JUST KEEP ON GROWING!

Joseph was presented with the Elliott's Army respect award at his recent football presentation, for having a positive and respectful attitude towards his coaches and teammates. WOW! Well done, Joseph. It is so wonderful to hear how you are demonstrating our GROW standard of RESPECT out of school.

Toby played his first ever football tournament on Sunday and was named player of the tournament for his team! He played really well and remained focussed throughout. WOW! Super stuff, Toby!

BACK IN TIME AT FLAG FEN!

Year 3 went back 3000 years to the Neolithic era when they visited Flag Fen Archaeological Park. They learnt to make paint from natural materials; build a wattle-and-daub wall; hunt for deer and encountered a herd of (very badly behaved!) rare-breed sheep! A great day was finished around the fire in an iron-age roundhouse!

CHAMPIONS!

After winning their league in Spalding, the rounders team played the champions of Boston and were victorious! This is the third year in a row that Eye has been crowned the rounders champions of Lincolnshire. We have amazing children at our school!

At the end of the year, a trophy is presented to the school who has accumulated the most points in all competitions. For the second year in a row, we have been crowned champion school of Lincolnshire. The children have managed to win 18 trophies this year across both Lincolnshire and Peterborough. We are so proud of all our children in the way they represent our school.

Clothes Bank

Over at preschool.

Please feel free to drop in & take advantage if you are in need of anything for September!

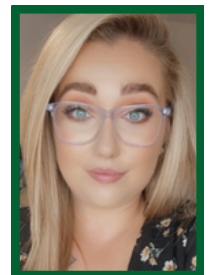

adieu!

best of
LUCK

Thank You

It is always a sad time when people leave us, but we must say a HUGE thank you and goodbye to a few people this year, who are moving onto new beginnings. Mrs Holvey is leaving us to teach abroad! Miss Baker is moving onto a new school. Mrs Hewitt will be on maternity leave as she gets ready to welcome a little baby girl!

We must also say goodbye to Mrs Fisher, who will be starting a new TA role after the summer, Miss Miller who will also be having a baby and Miss Webster, who is going off to university! We are so blessed to have had the privilege of working with you, and we are incredibly thankful for how you have enriched our school community. THANK YOU!

GRATITUDE FROM THE SALVATION ARMY

Earlier this half term, the social action group worked with our school community to ask for donations of snacks for the residents of the pods at The Salvation Army. These pods provide temporary accommodation for those who would otherwise be sleeping rough.

Rachel Dockerill, The Community Centre Manager at The Salvation Army was delighted with the donation that we were able to deliver to them and wanted to pass on her thanks to all who kindly made a donation to this appeal.

Rachel explained that the residents of the pods don't receive any benefits as they don't have 'settled status' so they have to rely on the generosity of others. She said 'Thank you so much Eye Primary School for your generous donation.

These donations of snacks and toiletries will provide the residents with something they can independently cook or access in their small kitchen area in the pods.

There are three pods offering temporary accommodation at The Salvation Army on Bourges Boulevard.

Summer Reading Challenge 2024
Delivered in partnership with libraries

Marvellous Makers

Looking for ways to keep your children reading through the summer holidays?

The Summer Reading Challenge 2024 is coming soon to Peterborough Libraries!

The Reading Agency have teamed up with charity Create to develop a challenge that aims to fire up children's imaginations and unleash storytelling and creativity through the power of reading.

From Saturday July 6th, children can join the Summer Reading Challenge for free at their local library and collect a Marvellous Makers poster and stickers by reading library books over the summer holidays.

Read six or more books to earn a certificate and a Marvellous Makers door hanger.

Visit your local library from Saturday July 6th to join the fun for free!
