SIAMS REPORT

We are delighted to share our SIAMS inspection report, which you should have received into your email inboxes. It is a wonderful celebration of our school! Thank you EVERYONE for all that you have done and continue to do to contribute to the life of the school and to ensure that our vision of 'Learning and Growing Together for Life in all its Fullness' is lived out in all that we do. We hope that you enjoy reading the report and joining us in this celebration!

9th & 11th - Rocksteady Concerts 9.30am

16th - Year 6 Leaver's Church Service (PM)

19th - Children's last day in school

NEWS FROM THE FOREST

Main Forest

This week in the forest was our gardening week, where we talked about what new growth we had in the forest

Then we picked some flowers and used them for our observational pictures.

Year 6, 5, and 4 started their gardening project digging out the area where we are going to have the garden area in the forest school.

They will be in charge of the growth and maintenance of this area through all the seasons and will be encouraged to find out about what grows well in what seasons and what soil is the best for what they want to grow.

Little Forest

We have been thinking about different ways we can move around the forest. We used different resources to make an obstacle course, making it more challenging for the different abilities and ages.

We also made dens and talked about how we could use the resources around us to enhance our dens.

ECO Club

In Eco this week, we were sorting out an area in forest school so that we could start to make a sensory area where all the children could come and have different sensory experiences.

The eco club came up with lots of ideas and one of these ideas was a sensory walk.

The children came up with a plan and in the next couple of weeks will bring it to life.

GROWING BEYOND SCHOOL

Maisie W played her first football match for Thorney and was awarded Player of the Match. Also, at the end of season awards for Rugby, Maisie was given the trophy for Parents' Player of the Season. Great work, Maisie!

NOTICES

Neighbourhood Plan

Your village, your say

This is our opportunity as a community to influence the type of development we have in the village, where it takes place, and how it benefits all of us who live in Eye.

- Village character and vision
- Employment
- Heritage and archaeology
- Housing
- Services, amenities and facilities
- Traffic and transport
- Sustainability and environment
