On Monday 30th September, you will receive login details from your child's teacher that will contain everything you need to get your child started on BoomReader! Exciting!

PRESCHOOL NEWS

Caterpillars Class

This week in Caterpillars, we have been exploring 'All about me' and 'My Family'. To extend this, we have been reading 'Monkey Puzzle' by Julia Donaldson which led us to discuss any similarities and differences we might have from our friends, discuss our emotions and reasons 'why' we love our families.

We have also created some wonderful self-portraits this week using different materials to show our features, and we have been looking at family photos and sharing our past experiences of trips out with our families on the big screen to show our friends!

ESA FIREWORKS VOLUNTEERS

We hope that you have seen the flyer for this year's 'Fireworks Night'. The fireworks are organised purely by volunteers from our committee and without parent and staff help the ESA can't put on their events.

If you'd like to help with the fireworks event, anything from an hour to the whole event makes a massive difference.

Please message the ESA via their Facebook group or email esa.eyepriamary@yahoo.co.uk
