Dear Parents and Guardians,

We hope this letter finds you well. We are writing to inform you of an important change regarding our school management system. Due to the upcoming closure of Scholarpack, we will be migrating our records and communication platform to Bromcom, a comprehensive and user-friendly school management system.

What does this mean for you?

Starting from September 1st 2025, you will be able to access a new parent portal called MCAS (My Child At School) through Bromcom. This portal will allow you to view your child's information, attendance records, homework, and more. This transition aims to improve our communication and streamline access to important school updates.

Please note the following important changes:

Meal and Wraparound Bookings:

1. All meals and wraparound care (such as before and after-school clubs) will now need to be booked and paid for in advance via the MCAS portal. Bookings made on the day may not be secured, so we strongly encourage you to plan ahead to ensure your child's needs are met.
2. Debt Clearance: It is essential that all outstanding balances for meals and other services are cleared by the end of the school year on 22nd July.
3. Club Bookings: You will be able to view and book after-school clubs directly through MCAS, making it easier to manage your child's extracurricular activities.

Benefits of MCAS (My Child At School):

User-Friendly Parent Portal:

Easy to navigate and access vital information about your child's progress and school activities.

Real-Time Updates: Stay informed with instant notifications about attendance, achievements, and upcoming events.
