Letters regarding new classes for September were sent to parents and carers this week. We are looking forward to our transition day on Wednesday where the children will have time looking ahead to the coming year, getting to know new teachers and spending time in new classrooms. Please drop your children off at their current classrooms and collect them from new classrooms. This will allow you the chance to greet their new teacher if you would like to.

## GROWING BEYOND SCHOOL

A big well done to Hallie, who on Saturday completed the 5k kids muddy race for life. She did amazingly well and we are very proud of her! Super job, Hallie!

Congratulations to James and Evelyn who also took part in the 5km pretty muddy in 30 degree heat and raised £250 for cancer research! We love the before and after pictures! A brilliant effort, both of you!

## SPORTS DAY

The weather was on our side on Tuesday and we were able to enjoy a fantastic day of both Key Stage 1 and Key Stage 2 sports days. The children were amazing and did great job taking part in all of their races. It was heartwarming to see them cheering each other on and showing such excellent sportsmanship. A big thank you to all parents, carers, family members and friends who joined us to support the event. We think it may have been a record number of mums and dads races this year!

## PRESCHOOL NEWS

### Caterpillars Class

This week in Caterpillars, we have explored a range of physical activities to support our gross motor development and our knowledge of keeping fit and healthy. In our garden area, we participated in some obstacle courses, hoop games, and ball skills sessions where the children practiced their coordination skills, balancing, and teamwork!

We also had group discussions about healthy eating. The children learned about the importance of eating healthy foods such as fruit and vegetables, staying hydrated, and getting enough rest to help their bodies grow strong and stay healthy.

## PRESCHOOL NEWS

### Butterflies Class

This week in Butterflies, we've been on an exciting adventure learning all about different countries! We kicked off the week by building replicas of Poland's most famous castles and painting the Polish national flower. We were also incredibly lucky to welcome one of our lovely parents into preschool to share her Polish heritage. She taught us some Polish words, sang traditional songs, and even read us some wonderful stories in Polish too! While learning about France, the children got creative making a range of tasty treats in our playdough patisserie. We then moved on to Australia, where we explored native animals and designed boomerangs with traditional patterns. As we entered America, the children discovered famous landmarks and explored the country's iconic sports. They were especially amazed by the tricks of the Harlem Globetrotters and couldn't wait to test their basketball skills in the garden! We completed our global adventure with a visit to Italy, where the children used their imaginations in our Italian restaurant and, of course, they even made their own delicious pizzas too!

## NEWS FROM THE FOREST

This week in the forest, we've been busy bees! The children have been hard at work creating bug hotels and bee houses. They researched what materials and designs are best for attracting different mini beasts, showing great curiosity and enthusiasm. We also explored ways to encourage more wildlife to return to our forest. One exciting activity was making wildflower seed bombs, which we'll be throwing around Forest School to help attract bees and butterflies. It was heartwarming to see the children show so much love and care for the nature around them.

## SPORTING ACHIEVEMENTS

On Tuesday, Mr Webster took some year 5 and 6 children to compete in an athletics competition against Lincolnshire schools. The children did incredibly well and they came second over all. The children represented the school with great pride, displaying excellent sportsmanship, teamwork, and perseverance throughout the day. Their enthusiasm and positive attitude were a credit to the school, and we are extremely proud of their achievements. Well done to all involved!

## GROWING SUCCESS

This week, our Gardening Club is thrilled to celebrate a fantastic achievement — successfully growing a vibrant batch of radishes! After weeks of careful planting, watering, and tending, their efforts have truly paid off. The radishes are crisp, colorful, and bursting with freshness, proving just how rewarding teamwork and patience can be. Well done to all our green-thumbed gardeners!

# Story Garden

Looking for ways to keep your children reading through the summer holidays?

**The Summer Reading Challenge 2025 at Peterborough Libraries!**

The Reading Agency have teamed up with award-winning illustrator Dapo Adeola to inspire children to explore the magical connection between storytelling and nature.

From Saturday 5th July, children can join the Summer Reading Challenge for free at their local library and collect a Story Garden sticker booklet and stickers by reading library books over the summer holidays.

Read six or more library books to earn a certificate and a special Story Garden bookmark.

**Visit your local library from Saturday 5th July to join the fun for free!**
