

# EYE C OF E PRIMARY HOLIDAY CLUB!

## Join the Circus

24<sup>th</sup>-26<sup>th</sup> July

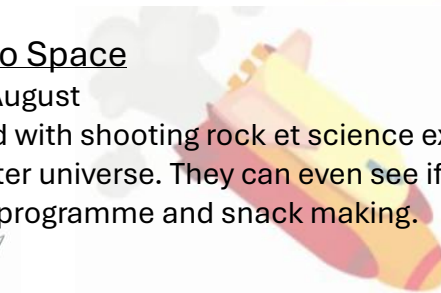

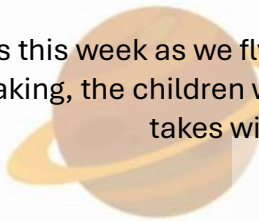

We are bringing the excitement of the circus to Eye! With circus games and skill workshops, the children will be ready to perform! We need the help of our best artists to make our circus tent and costumes and well as some performers and judges for our very own talent show.

## Lift Off into Space

28<sup>th</sup>-1<sup>st</sup> August

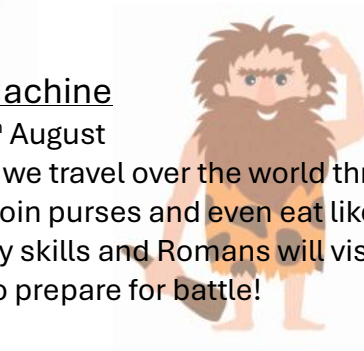

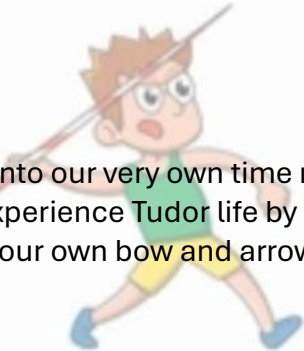

Join us this week as we fly into space! A week filled with shooting rock et science experiments and alien making, the children will learn all about the outer universe. They can even see if they have what it takes with our astronaut training programme and snack making.

## Around the World

4<sup>th</sup>-8<sup>th</sup> August

Travel all over the world with us as we explore baking from Scandinavia and art from Europe. We will travel to Oceania to play games from Australia before ending up in Greece to host our very own Olympics! We will experience different cultures and children are encouraged to bring in any items or stories they have from their own travels.

## Time Machine

11<sup>th</sup>-15<sup>th</sup> August

Step into our very own time machine for a week as we travel over the world through the centuries. We will experience Tudor life by making our very own coin purses and even eat like the Victorians. We will make our own bow and arrows and practice archery skills and Romans will visit us with an invasion as the children have to prepare for battle!

## Rainforest

18<sup>th</sup>-22<sup>nd</sup> August

In the rainforest we will make smoothies with fruits you may find in the rainforest, make our own rainforest in a shoebox and learn about plant life through gardening. We will become rainforest animals in a scavenger hunt across the school as well as receive a special visit from FrogLife.

## Camping Trip

26<sup>th</sup>-29<sup>th</sup> August

Pack your things we are going camping! We are going to practice our den building this week and experiment with wildlife as we use nature to make art. During Forest School, we will have our own campfire, complete with fireside cooking and songs.
