Friday 5<sup>th</sup> September 2025

Dear Parents and Carers,

At Eye C of E Primary School, we remain committed to creating a school environment that embraces equality, diversity and inclusion for every member of our community. We believe it is vital that our school reflects, respects and celebrates the diverse backgrounds and experiences of all our pupils and their families.

Last year, we established a working party to support this important mission. The group has already begun valuable discussions about how we can continue to grow as an inclusive school and we are very grateful for the commitment and contributions of those already involved.

This year, we are delighted to continue the working party and we would love to welcome new members. We want this group to be a true reflection of our whole school community, representing as many voices and perspectives as possible. Whether you are new to the school or have been part of our community for some time, your insight would be greatly valued.

The working party will meet three times a year (once each term) to review our current practices, share ideas and suggest ways forward. It is a chance to work collaboratively with governors, staff, parents and carers to help ensure every child feels seen, valued, and included at Eye C of E Primary School.

If you are interested in joining the group, please let us know by returning the slip below to your child's class teacher or by contacting the school office by **Friday 15<sup>th</sup> September**. Our first meeting will be held on Thursday 25<sup>th</sup> September 2025 at 9am.

Thank you, as always, for your continued support. Together, we can strengthen our school community and ensure it is a place where everyone feels welcome and respected.

With many thanks and kind regards,  
Mrs R Bright, Assistant Headteacher
