LEARNING AND GROWING TOGETHER

It has been wonderful to see the school back in full swing as the new term gathers pace. Across the classrooms there has been a real buzz of learning and discovery: children have been delighting in poetry during English lessons, growing secure in their place value skills in maths and diving with enthusiasm into new topics ranging from Earth and Space to The Industrial Revolution, Ancient Greece, Rocks and Soils, and The Great Fire of London. Our collective worship with Reverend Hayley has encouraged us to reflect on gratitude, while beyond the classroom, some children have enjoyed sailing at Nene Park and class have taken part in energetic PE sessions including gymnastics, ball skills, and netball. It has certainly been a busy and joyful week of learning and experiences!

LET'S CELEBRATE!

GROWTH AWARD

This week, it was the turn of Key Stage 1 (Years 1 and 2) to receive the GROWth award chosen by their teachers. We enjoyed a joyful time together celebrating some wonderful achievements from the first weeks of the school year. We heard about the ways in which our school GROW standards had been demonstrated so consistently both inside and outside of the classroom.

A big well done to:
Rosie, Alana, Morwenna and Zahra

GROWING BEYOND SCHOOL

We love to hear about the ways in which our pupils are GROWing in many different ways outside of school. Please keep sending these into us via the office.

Congratulations to Leela, who achieved a merit in her Grade 1 Ballet exam over the summer. What a great achievement, Leela! Well done!

CLUBS

Thank you for booking your children onto our school clubs. We're delighted to see so much interest and enthusiasm! A reminder that if a club appears as full, you can still enrol your child. They will automatically be placed on the waiting list in case a space becomes available. For any clubs that prove to be very popular, we will split them into Group A and Group B where possible, so more children can take part. If you have any issues or questions, please don't hesitate to get in touch. **Clubs will start week beginning Monday 29th September.**

Please see the list of clubs available this term below along with the locations and pick up points for each club. .

BEYOND THE CLASSROOM

NEWS FROM THE FOREST

It's been a wonderfully windy week in the forest, and we've been making the most of it! Children have been busy creating things that fly, including wind sticks, aeroplanes, and kites. Year 3 especially enjoyed testing their kites in the blustery conditions, with lots of laughter and excitement as they soared through the air.

Our EYFS children also joined us in the forest this week. It was fantastic to see even our youngest pupils embracing adventurous play, climbing trees, building dens and exploring the natural environment with such confidence and curiosity.

PRESCHOOL NEWS

This week in Preschool, we've been focusing on building relationships and sharing our interests with one another. The children are settling in beautifully, and it's been a joy to see them getting to know each other. We've been exploring a variety of textures and engaging in activities that support both fine and gross motor development. Through hands-on experiences such as categorising and sorting, the children are strengthening important early learning skills in a fun and playful way. Storytime has been a highlight, with many children excited to share their favourite books. Our Caterpillar group have shown a particular enthusiasm for 'We're Going on a Bear Hunt', which has sparked some wonderful conversations and imaginative play.

WRAPAROUND UPDATES

This week in Key Stage 2 Wraparound, the children have been busy creating beautiful flowers and sculptures out of clay. They also enjoyed an active session with Mr. Lawlor and worked together to build the tallest straw tower they could!

In the Key Stage 1 room, our theme has been autumn. The children took part in a variety of seasonal crafts, explored our autumn-themed tuff tray, and even made their very own "autumn soup" in the mud kitchen- a wonderful mix of creativity and outdoor play.

This was all finished off at the end of the day with a snack and a movie.

CHURCH AMBASSADORS AND SOCIAL ACTION TEAM

Mrs Bright would like to say a big thank you for all of the letters that were received from children who wanted to be part of the Church Ambassadors and Social Action Teams. It was heart warming to read so many passionate letters with reasons why children want to be part of making our school and our community the best it can be. Children should have received a letter today letting them know that they are part of the team. Mrs Bright is excited to begin working with these groups of children and know it's going to be a wonderful year together.

Thank you to the support and encouragement that you have given to your children in writing these letters.
