

EYE CE PRIMARY SCHOOL NEWSLETTER

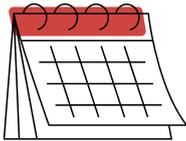

26.09.25

THIS WEEK AT EYE C OF E PRIMARY...

Another week passes at Eye C of E Primary School and we're in full flow of the Autumn term. Our reception children had a great time on Tuesday coming to school in their pyjamas for the launch of their Literacy unit for this half term, Peace at last. It was also a pleasure to have a number of parents in school for our Diversity, Equity and Inclusion Working Party meeting. They joined with staff and governors to consider how we can continue to improve our provision within school to ensure that every child feels welcome, valued and included. A number of other parents have expressed their interest in joining this group too. Our next meeting will be in January. If you are interested in joining us, please let us know by contacting the school office.

DATES

This Term:

October

1st - 31st - Black History Month

16th - School photos- Tempest

22nd - ESA Discos

24th - Harvest Church Services

Jaguars	94.67%
Koalas	94.33%
Meerkats	97.30%
Sharks	97.33%
Tigers	97.10%
Wombats	90.94%
Zebras	97.24%

LET'S CELEBRATE!

GROWTH AWARD

Key Stage 2 classes joined together to celebrate some more excellent achievements on Wednesday. We love hearing the reasons why the children have been chosen for the awards and are always inspired by the ways that our GROW standards have been shown.

A big well done to: Jan, Gracie, Kleo, Grayson, Harrison, Harry, Darcy, Zach and Will

SUMMER READING CHALLENGE

Well done to our Summer Readers!

A huge congratulations to the 61 children across our school who took part in Peterborough Libraries' Summer Reading Challenge 2025! This year's theme, Story Garden, encouraged children to nurture a love of reading while letting their skills blossom all summer long.

Children aged 4-11 who joined the challenge collected stickers for every book they read, with a special certificate and bookmark awarded to those who completed six books.

Key Stage 2 pupils were presented with their certificates in this week's GROW assembly - well done! EYFS and Key Stage 1 pupils, look out for your certificates in next week's GROW assembly.

We are so proud of all our fantastic readers!

GROWING BEYOND SCHOOL

We love to hear about the ways in which our pupils are GROWing in many different ways outside of school. Please keep sending these into us via the office.

Maisie achieved man of the match at the weekend stepping out of her comfort zone and challenging herself in a different position. This week she played her first match for the Peterborough United Girls Academy and scored a hat trick. A big well done, Maisie!

FOOTBALL SUCCESS

A big well done to the year 3 and 4 football team, who took part in a Lincolnshire schools football tournament supported by their year 6 football coach, Ali. They played really well making the quarter finals. We are very proud of them all!

BEYOND THE CLASSROOM

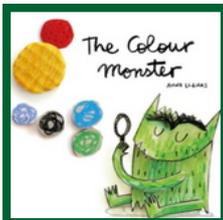

NEWS FROM THE FOREST

This week in the forest the children have been exploring different textures in nature. They enjoyed making beautiful leaf and tree rubbings, noticing all the patterns hidden in the bark and leaves. We also created leaf wreaths to celebrate the season, and the children loved using their creativity to design and decorate them. To finish, the children made wonderful clay sculptures using natural resources they found around the forest. This helped them develop their imagination, fine motor skills, and appreciation of the world around them. It was a fantastic week of discovery, creativity, and outdoor fun!

PRESCHOOL NEWS

This week, we've been exploring all about ourselves! We've been observing our own features in the mirror and talking about what makes us individual, from hair colour to eye colour and everything in between. To enhance this we used a variety of craft materials, the children created their own self-portraits- each one full of personality and creativity! We also made playdough portraits, which gave us the chance to talk about different facial features while developing our fine motor skills. We had some lovely discussions around feelings, what they are, how they look, and how we can express them. We shared the familiar story of 'colour monster' and we even discovered some new ways to show emotions through yoga movements!

WRAPAROUND UPDATES

This week in Wraparound the children have been busy mark making outdoors, mixing paint and water to create wonderful patterns and writing on the floor. We also had a great time in Forest School, where the children enjoyed collecting conkers and exploring the autumn season.

Next week, Multiskills will take place on Wednesday, and Forest School will be on Thursday evening. Please remember to bring along Forest School clothes so the children are ready for another fun adventure!

POLICE UPDATE

Police School e-scooter information

Police are continuing to advise that the use of non authorised e-scooters on public roads are not lawful. The only e-scooters that are permitted to be used are the official council schemes that are unavailable to under 18 year olds.

e-scooters are classified as motor vehicles and need to be fully compliant with those riding having a driving licence and insurance. As you are unable to obtain e-scooter insurance they are not to be used on public roads or areas. Official schemes do have insurance in effect and check driving licences.

We are seeing an increasing number of collisions involving e-scooters and provide this information to safeguard the public. Private e-scooters are generally black with low level lighting with the rider standing still. This narrow silhouette makes you very difficult to be seen.

Children are often at increased risk as they don't have the understanding of roads, lack experience, susceptible to peer pressure, carrying passengers and unnecessary risk taking. If stopped they could face a fine, penalty points and seizure of the e-scooter.

We advise parents and carers to consider the risks involved in e-scooter use and protect their children through prohibiting their use. With Christmas in some minds, they are not suitable presents for use in public spaces.

The risk of fire during charging of private e-scooters can also cause serious human and physical harm.

Your support and assistance with this is greatly appreciated.
