Friday 17th October 2025

Dear Parents/Carers,

Termly Learning Conferences (TLCs)

I am writing to inform you of our upcoming Termly Learning Conferences (TLCs). You will have seen from our weekly newsletter that they will be held during the **week commencing 10th November 2025**. We will, once again, hold these meetings in person and you will have a chance to look at your child's work.

The autumn term TLC is an opportunity for you to meet with your child's class teacher to discuss how your child has settled back into school and what we are working on in school. We will also inform you of how we are supporting your child and ensuring any gaps in their learning are addressed.

This year you will be able to book your TLC appointments via the MCAS app. These will become available on the app on Monday 20th October at 6pm. As usual, appointments are 10 minutes long in order for us to be able to facilitate appointments with each family. Although the appointment appears as 15 minutes, this includes time for teachers to collect parents/carers from the main office and return following the appointment. If you are unable to make the given date for your child's class, then please do speak with the class teacher to arrange another date which is mutually convenient.

If you are unable to access the MCAS app for any reason, please contact the school office who will be able to manually book the appointment for you.

If you are unable to attend the meeting in person, due to work commitments, for example, and need to request a zoom meeting, please book the appointment time and then liaise with your child's class teacher to organize the zoom. If you do not make the TLC appointment, unless in extreme circumstances, another will not be offered.

If your child has an APDR, you do not need to book a TLC appointment for this week as you will be given an appointment with your child's class teacher to discuss their targets and progress on the afternoon of either Tuesday 2nd December or Wednesday 3rd December. Further details around these appointments will follow.

If you have any further questions regarding these TLCs or need any support with booking, please do not hesitate to speak to your child's class teacher or contact the school office.

Thank you for your continued support towards your child's education.

Yours sincerely,
Mr J Webster
Headteacher
