LET'S CELEBRATE!

GROWTH AWARD

Key Stage 1 celebrated together on Wednesday as they found out who had been chosen by their class teachers to receive the GROW award this week. Miss Allen had the privilege of presenting the certificates this week and was very impressed by the ways that the children have been showing our GROW standards.

A big well done to Dominic, Benjamin, Raivan and Billy George.

GROWING BEYOND SCHOOL

We love to hear about the ways in which our pupils are GROWing in many different ways outside of school. Please keep sending these into us via the office.

At the weekend Eden and Elise attended an Awards Ceremony hosted by the World Kickboxing Organisation.

Eden achieved the Grand Champion status in 3 different Martial Arts disciplines for her age group: Girls Point Fighting, Girls Boxing and Girls Light Continuous Mat kickboxing.

Elise achieved the No.1 placing for the year in 5 disciplines: Point Fighting, Boxing, Low Kick Kickboxing, Ring Kickboxing and Light Continuous Mat kickboxing.

These are incredible achievements, girls! We are so proud of your hard work and talent to achieve these titles. Well done!

PENATHOLON PRIDE

On Monday, a group of our KS2 pupils took part in an exciting Panathlon event, representing our school with enthusiasm, teamwork and brilliant sportsmanship. Throughout the day, the children participated in a fantastic range of activities, including sprint races, parachute games and aiming challenges such as archery. They showed great determination and support for one another in every event. To celebrate their achievements, all pupils received a special medal and certificate, recognising their effort, positivity and success.

Well done to all involved! You make our school very proud!

BEYOND THE CLASSROOM

PRESCHOOL NEWS

What a fun and busy week we've had in preschool! We have been exploring the story Stickman and the children have enjoyed creating their own stickmen using real sticks and toilet rolls, showing wonderful creativity and imagination. We used sticks in our maths activities too, practising our size-ordering skills by comparing and arranging them from smallest to largest. The children also explored floating and sinking by making their own stick boats and testing them in the water, as well as building stick bird houses. Everyone loved listening to the Stickman story and it encouraged lots of lovely conversations about our own families, which inspired the children to create their own family pictures. To finish off an exciting week, we began our Christmas crafts and each classroom now has its own decorated Christmas tree made with the children's handmade decorations. What a fantastic week of learning, discovery and festive fun!

COMPETITION WINNERS!

We are delighted to share some fantastic news inspired by Charlie and the Chocolate Factory!

Congratulations to Jessica in Year 3 and Arabella in EYFS, who entered the National Literacy Trust's chocolate bar design competition.

Both girls impressed the judges with their creative and imaginative designs and were selected as winners! Their wonderful achievement was celebrated with a special goodie bag filled with free books. Well done, girls! We are incredibly proud of you both.

WRAPAROUND UPDATES

The children had a fantastic time making their own colorful bracelets using pipe cleaners, string, beads, and anything else they could get their hands on! They shared ideas, helped one another thread tricky beads, and laughed as they experimented with different patterns. Working together, they came up with some truly creative designs. We have also started our Christmas crafts, and this week we have been enhancing our stitching skills in both KS1 and KS2!
