THIS WEEK AT EYE C OF E PRIMARY...

It's been a busy week at Eye C of E Primary School. Year 5 have journeyed to Leicester to the National Space Centre and Year 4 have visited the New Theatre (see page 3 for more about these trips). Our hall has been filled with proud parents, carers and family members as our Reception and Key Stage One pupils performed their nativity plays. They all did a wonderful job of performing their lines and singing with such enthusiasm. A big thank you, once again, to parents and carers for your support with costumes and to all of the staff who have worked hard to organise and rehearse the plays this year. To finish the week, we rocked out with the Rocksteady bands in their concerts to the school (see page 2). Next week looks to be just as exciting with more Rocksteady performances, Christmas church services, Christmas dinner and Christmas jumper day! We can't wait!

LET'S CELEBRATE!

GROWTH AWARD

We had our final GROW celebration collective worship of 2025 for Key Stage 2 this week. The children who had been chosen by their teachers stood proudly as they received their certificates and Mrs Bright shared with the school the ways in which they had been so brilliantly displaying our GROW standards. A big well done to:

Alfie, Macie, Elisabeth, Lola, Rose, Robert, Adrian and Nirbhau.

WELL DONE!

GROWING BEYOND SCHOOL

We love to hear about the ways in which our pupils are GROWing in many different ways outside of school. Please keep sending these into us via the office.

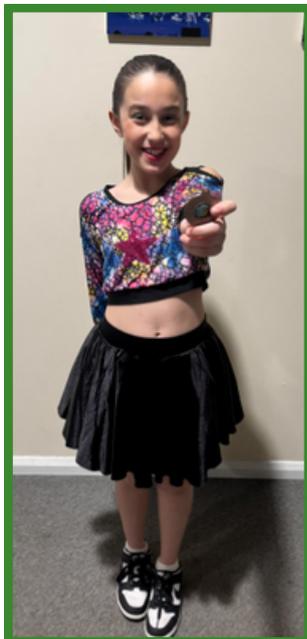

Well done to Fausta, who received her marathon wristband at Central Park Junior parkrun last Sunday - a fantastic milestone for completing 21 runs. A super effort, Fausta! You should be very proud!

Junior park run is a free, weekly 2 km run for children aged 4-14, held every Sunday at 9:00am in Central Park and Bretton Park, Peterborough.

Register once at: <https://www.parkrun.org.uk/register/>

Isla took part in her first Bronze Medal Test exam for Street Dance this weekend and did absolutely amazingly! Her family are so proud of her! Keep up the great work, Isla! We think this is a great achievement!

ROCKSTEADY

On Thursday, our Rocksteady bands gave some fantastic performances to the school. We joined together in the hall to hear the bands rock out to lots of well known songs and even some festive tunes! The school enjoyed being able to join in with some enthusiastic singing.

Our teacher band even made their second performance with 'Don't Stop Believing'. Mr Johnson entertained the crowd with his wardrobe of funky outfits!

On Thursday next week, the children in the Rocksteady bands will be performing to parents and carers in concerts at either 10am or 2pm.

BEYOND THE CLASSROOM

PRESCHOOL NEWS

This week has been full of festive fun!

We've been getting creative with Christmas crafts, making our very own crackers, listening to Santa stories, and using size language while "wrapping presents" and describing all the wonderful shapes we spotted along the way. Our tuff trays have been extra exciting too, filled with snow-like gloop for some wonderfully messy, sensory play. And of course, we've been practising our Christmas songs, ready for the big day!

On Friday, our older children had a special outing over to the school, where they sang some of our favourite Christmas carols to the older children. They did a fantastic job and showed brilliant listening and attention skills throughout. We couldn't be prouder of how beautifully they represented the preschool!

WRAPAROUND UPDATES

Wraparound has also been full of festive cheer this week!

We've been busy enjoying lots of lovely Christmas crafts, making our rooms feel extra cosy and creative. Our Key Stage 2 group has also been sharpening their game-playing skills with cards, chess, and draughts—some seriously impressive strategic thinking going on!

Together, we created a wonderful Christmas wreath, and we're so proud of how it turned out. Did anyone visit the wreath festival at the church and spot Wraparound's very cool creation?

YEAR 5 VISIT THE SPACE CENTRE

This week, Year 5 enjoyed an exciting trip to the National Space Centre in Leicester to support their science learning about space.

The children explored interactive exhibits and were especially impressed by the planetarium show, which took them on a captivating journey through the solar system!

Their behaviour was excellent throughout and they represented our school proudly. It was a memorable and inspiring day for everyone involved!

YEAR 4'S MUSICAL EXPERIENCE

On Wednesday afternoon, Year 4 had the privilege of being able to go to the New Theatre to experience the classic animated film, the Snowman with narrator, BSL interpreter and soundtrack performed by live orchestra alongside a selection of festive music favourites.

They had also created and recorded their own musical masterpiece that was shared as part of the event along with those from other schools.

HELP NEEDED

Can you help?

Year 2 are looking for a visitor who has knowledge or lived experience of the Muslim faith to support the next part of their RE unit, 'Who is Muslim and how do they live?'. If you would be willing to talk to the children about daily life, celebrations, and what is important in Islam, we would be delighted to hear from you.

Please contact the school office, FAO Miss Allen.
