Dear Parent/Carer,

We are writing to remind you that we have previously requested that an allergy information form be completed and returned to the school. Despite repeated requests, we have not yet received this form.

As a result, unless we are informed otherwise, we will now assume that your child has no allergies or medical conditions that the school needs to be aware of.

If this information is incorrect, or if your child develops an allergy or medical condition at any time in the future, it is essential that you inform the school immediately so that we can ensure your child's safety and wellbeing.

If you require another copy of the form or have any questions, please contact the school office.

Thank you for your cooperation.

Yours sincerely,
Senior Leadership Team

Eye Primary School
