

# EYE CE PRIMARY SCHOOL NEWSLETTER

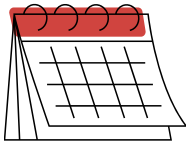

16.01.26

## THIS WEEK AT EYE C OF E PRIMARY...

It's just the second week into the term and what a busy and exciting week it has been across our school! Rocksteady lessons have started up again and it has been wonderful to hear music filling the corridors on Thursday. Classes have thrown themselves into their PE sessions, with Year 4 particularly enjoying their Roman dance unit, while Years 2, 3 and 5 have been working hard to develop their swimming skills. Our Diversity, Equity and Inclusion working party also met this week to continue their important work and Key Stage 2 pupils have been busy learning a brand new song on the ukulele. We can't wait to hear the finished performances!

### DATES

#### February

16<sup>th</sup> - 20<sup>th</sup> - Half Term Week

#### March

9<sup>th</sup> -12<sup>th</sup> -Bikeability Level 1 and 2

WB 16<sup>th</sup> - TLC Week

96.5%

WB- 06/01/26 -09/01/26

Whole School Attendance is:

Badgers	99.6%
Squirrels	95.8%
Chimps	97.5%
Hedgehogs	97.2%
Dolphins	97.2%
Foxes	96.3%
Giraffes	98%
Jaguars	96.1%
Koalas	91.7%
Meerkats	95.3%
Sharks	99.2%
Tigers	92.6%
Wombats	98%
Zebras	97.3%

## LET'S CELEBRATE!

### GROWTH AWARD

We kicked the new year off with a wonderful start in our first GROW celebration collective worship of 2026 on Wednesday. There were some amazing examples of ways in which children had worked hard to show our GROW standards through their learning, behaviour and attitudes. We are always very proud of our pupils but it is always extra special to hear about milestones met and challenges achieved.

A big well done to Elijah, Charlie, Zuzanna, Freya, Elise, Darcie, Mariya and Riley

### GROWING BEYOND SCHOOL

We always love to hear about the ways in which our pupils are growing beyond school. This can be from sporting achievements and musical performances to creative projects, community involvement, clubs and hobbies, or special milestones at home. If your child has something they are proud of, we would be delighted to celebrate it in our newsletter. Please send in a photo and a short description so we can share their success with our whole school community. Growing beyond school items can be emailed to our office email address: [admin@eye.peterborough.sch.uk](mailto:admin@eye.peterborough.sch.uk)

### SPORTING SUCCESS

Some of our year 4 girls took part in an inflatable football event this week. They had lots of fun and were praised for their fair play and skills. A big well done to the girls who represented our school.

### SAVE THE CHILDREN

A big thank you for your contributions towards Save the Children's Christmas Jumper day back in December. We were able to raise £185.60 for this excellent cause. We are grateful, as always, for your giving and a festive day was had by all.

Save the Children

## BEYOND THE CLASSROOM

### PRESCHOOL NEWS

We've had so much fun this week at preschool while exploring the fire service, their roles and responsibilities through play and hands-on activities. The children enjoyed role-playing different fire scenarios, using fire trucks in imaginative play and learning about firefighters through Fireman Sam and the important roles he plays in keeping everyone safe.

We also loved using spray tools to "put out fires," which helped develop teamwork, coordination and understanding of how firefighters help our community. We explored different materials in the trays such as coloured rice and shaving foam.

It's been an exciting and engaging week of learning through play!

### CLUBS

Our clubs have resumed this week and it has been great to have the children enjoying all of the extra-curricular activities that are available.

We will be sending out a parent survey ahead of launching our next round of clubs for after half term to get your thoughts and feedback. Look out for this link next week.

Our extra-curricular offer including our range of free clubs was an area that Ofsted praised highly. We are very fortunate to have committed staff who are willing to give their time to run a club in school.

### DEI WORKING PARTY

The Diversity, Equity and Inclusion working party group met together this week to consider how we can promote and support these areas across our whole school community. We were able to review the feedback received from our recent parent and carer survey regarding belonging and consider ways in which we may be able to promote belonging within our school further. We are grateful to all of the parents and carers, along with staff members and governors who give their time to being part of this group. If this is something that you would be interested in being part of. Please contact the school office.

### WRAPAROUND UPDATES

The KS2 room has been busy turning into budding engineers and game designers! They've been experimenting with paper aeroplanes, testing different designs and strategies to see which ones fly the furthest. They've also been creating their very own large-scale space board game with Miss Short, using lots of imagination and teamwork.

Meanwhile, the KS1 room has been enjoying some lovely creative activities, working on colour-by-numbers and dot-to-dot pictures, building their focus, number recognition, and fine motor skills along the way.

### PRESCHOOL PLACES

#### Preschool Spaces Available

Our Early Years Provision is Ofsted **OUTSTANDING!**

"Children in the early years establish strong foundations for learning" Ofsted 2025

Spaces available!

Come and explore our setting, meet the team, and find out what makes our preschool special.
