THIS WEEK AT EYE C OF E PRIMARY...

As we head into a sunny weekend, it has been wonderful to see so much enthusiasm and achievement across the school. Year 6's My Money Week has been a fantastic success, with pupils showing great enterprise, creativity, and teamwork. Thank you to all the families who supported this. We look forward to sharing the total amount raised with you next week. Year 1 thoroughly enjoyed their trip to Hamerton Zoo, where they had a memorable day of learning and exploration. With the sunshine returning and warm weather forecast for the weekend, we hope all of our families enjoy some time outdoors and have a relaxing couple of days ahead.

Please remember that we are a nut-free school with pupils who have severe nut allergies. Please make sure that packed lunches and snacks do not contain any nuts or nut products. Thank you for your understanding and support in helping us to keep every child safe.

LET'S CELEBRATE!

GROW AWARD

This week we celebrated our GROW award winners from Key Stage 1. Mrs Thorpe had the pleasure of giving out the awards this week and she was delighted to be able to share in such a special time of celebration. As always, we were so impressed with the range of ways that children are showing our GROW standards. They should be very proud.

Well done to Amelia, Jacob, Elcie-Mai, Isla, Kaytlyn, Arthur and Hannah

PRESCHOOL NEWS

This week in preschool, we have been diving into the exciting world of pirates and treasure maps! The children have enjoyed a variety of hands-on activities designed to spark their imagination, creativity, and early mathematical skills.

We created our own treasure maps, encouraging the children to think about directions, landmarks, and storytelling as they designed routes to hidden treasure. During our maths activities, we practised counting and sorting pirate coins, helping to develop number recognition and counting skills in a fun and meaningful way.

We have also been busy searching for hidden treasure in the sand pit and exploring pirate boats, treasure islands, and small-world pirate adventures in the tuff tray. To add even more excitement to our pirate-themed week, we enjoyed playing Pop-Up Pirate, which encouraged turn-taking and social interaction as the children eagerly waited to see when the pirate would pop out!

GROWING BEYOND SCHOOL

We always love to hear about the ways in which our pupils are growing beyond school. Please keep sending in your news via email to our office email address: admin@eye.peterborough.sch.uk

Emily and Emily were given the opportunity to perform at the Shaftesbury Theatre in London's West End with some of the performing arts class they both attend. They did a medley of songs from The Greatest Showman both singing and dancing.

After some long days rehearsing, they completely smashed it and made everyone so proud. It just shows how hard work pays off. They were both amazing! Well done to both of you!

WRAPAROUND

We have had great fun taking part in sports activities with Mr Armstrong, developing coordination, confidence and physical skills through a variety of games and challenges. The children have also practised tracing, drawing and copying to create portraits and favourite characters, and enjoyed designing their own colouring books, proudly using their imagination and creativity to make books to share with friends and family.
