Eye C of E Primary School

FRIDAY 11TH SEPTEMBER

NEWSLETTER

Learning and Growing Together for Life in All its Fullness

"I came to give life, life in all its fullness" (John 10:10)

WELCOME BACK!

It's been great to welcome our pupils and families back for a brand-new school year! The children have returned to school excellently and are already settling into their new classes. We are excited for the breadth of learning happening this year and we can't wait to see the GROWth that we know will take place. Please continue to keep up to date with our school newsletter, as it is full of important information as well as lots to celebrate.

ALLERGY AWARE

Please remember that we are an allergy aware school with pupils who have severe allergies including nuts. Please make sure that packed lunches and snacks do not contain any nuts or nut products. Thank you for your understanding and support in helping us to keep every child safe.

ATTENDANCE

LET'S CELEBRATE....

Key Stage One GROW Award Winners

A big well done to...

Ezra
Maeve
Laycie
Alana

Amazing Work

GROWING BEYOND SCHOOL

Congratulations to...

Victoria

who, during a trip to London, had a fortunate experience of being able to ring the bells at St Paul's church in Covent Garden! What a memory,, Victoria!

We love hearing about the ways in which children at Eye C of E Primary school have been GROWing outside of school. This could be taking part in a competition, receiving an award, enjoying a hobby or just having the opportunity to do something new or exciting. Please send any updates to the school office at admin@eye.peterborough.sch.uk to be included in our newsletter.

If you would rather your child's picture wasn't shared alongside their achievement/experience, we are happy to include pictures which don't have children's faces in, if that is preferrable e.g. a picture of an award/trophy/place. We will also only include first names.

ORACY HOMEWORK

Each week your child will bring home a sheet with the topic for their oracy homework. This is an opportunity for your children to share what they have been learning about at school and gives some suggested discussion points for home. They will then build on this in class and share what they've discussed, every other Friday.

YEAR GROUP UPDATES

Preschool:We have been exploring the topic 'All about me' having discussions about our favourite things to do, who we live with in our homes - drawing wonderful pictures of ourselves and our family members.

Reception: The children have done brilliantly this week, getting to know their new classroom and making new friends. They have been exploring all of our toys and practising sharing them together. Well done boys and girls!

Year 1: We have been enjoying exploring the different areas in busy learning. We have especially enjoyed making windmills in Design and Technology, which we have taken home.

Year 2: This week we have particularly had lots of fun learning all about trolls in English. We created our own instructions on how to be a good troll, including always being dirty and having stinky feet!

Year 3: We have been learning about tectonic plates and discovering where they are located around the world. They have been fascinated to discover how the movement beneath the Earth's surface can have such a huge impact on our planet.

Year 4: We have enjoyed writing poems inspired by Michael Rosen's masterpiece 'Me and My Brother'. The children showcased their published poems to their parents on Thursday after school.

Year 5: The children have enjoyed getting stuck into our new poem 'The Song of Hiawatha', learning about how the Earth orbits the Sun and taking a trip through history, gaining stamps in their History passports.

Year 6: We have been learning how to be fantastic coaching partners! We learnt all about Austin's Butterfly and how this approach can teach us to be resilient and show excellence all the time. We then produced some outstanding tiger/jaguar drawings using what we had learnt.

MORE TO CELEBRATE

Check out this incredible piece of artwork that Elise S-T in Year 6 produced at home after work on drawing Jaguars in class. Well done, Elise!

NOTICES

We are proud of the Under 6s Eye Juniors football team, made up of some of our fantastic Year 1 pupils! The boys are looking incredibly smart in their brand-new training kits and are already looking the part on the pitch.
The team want to say a huge thank you to Dwell Media for sponsoring the new kits. They really appreciate your generous support!
