Learning and Growing Together for Life in All its Fullness

"I came to give life, life in all its fullness" (John 10:10)

THIS WEEK AT EYE PRIMARY...

It's been another great week at Eye C of E Primary School with lots of exciting learning has taken place. Make sure that you read the year group updates on page 2 to find out more about what has been going on in our classrooms. The children enjoyed our non-uniform day today and we are grateful for the donations of items and money towards the ESA Christmas fair tombola. Some of our sporting events were 'rained off' this week but our children were able to take part in a Hockey Festival in Bretton on Monday, where they learnt lots of skills and had lots of fun. It's been another great week, where the children have continued to wow us with their learning and their attitude around school.

ALLERGY AWARE

Please remember that we are an allergy aware school with pupils who have severe allergies including nuts. Please make sure that packed lunches and snacks do not contain any nuts or nut products. Thank you for your understanding and support in helping us to keep every child safe.

ATTENDANCE

WB 09/11/26-13/11/26

Hedgehogs 93.3%	Chimps 96%	Meerkats 98.4%	Tigers 94.1%

Amazing Work

DON'T MISS!

Have you got our ESA Christmas fair in your diary? Don't miss out– Friday 4th December.. Read the magazine to find out more.

Read it here.

GROWING BEYOND SCHOOL

Congratulations to...

Cole

Last weekend, Cole achieved the title of 'Man of the Match' for his football team, scoring the only goal of the match. A big well done, Cole!

Bentley

Last Saturday, Bentley won 'Man of the Match' for his team, Eye Juniors Panthers. He saved some incredible goals in his role as goal keeper .Great job, Bentley!

Lewis

Well done to Lewis for receiving player of the match on Saturday. His family are very proud of how hard he has worked over the last few weeks and taken all advice on board. Keep up the amazing work, Lewis!

Theo, Alfie and Noah

Theo, Alfie and Noah, along with other pupils from Eye Primary School, joined the Remembrance Sunday parade at Thorney Abbey last Sunday. It was a lovely opportunity for the children to take part in such an important community occasion and to show their respect alongside their fellow pupils. Their family were very proud to see them involved and representing their scout groups, school and community. Well done, boys. This is a wonderful opportunity to have been part of.

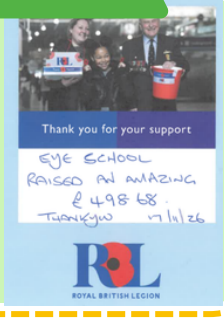

YEAR GROUP UPDATES

Preschool: We have been busy exploring the world of woodland animals and autumnal environments! We've been discovering where woodland animals live and then, using a variety of natural materials collected from Forest School, the children have enjoyed getting creative and building their own woodland animal houses. We've also been creating some fantastic animal artwork, exploring woodland-themed tuff trays and investigating our outdoor environments to discover the different places animals might choose to hide, shelter and make their homes.
busy creating some fantastic artwork inspired by these special occasions!
Reception: We have been learning about The Gruffalo story and brought the characters to life in Drawing Club. We have made Gruffalo models out of playdough and counted out purple prickles to keep our fingers moving! In Maths we met Numberblock four and discovered the different shapes that can be made with his four blocks.
Year 1: The children have enjoyed learning about physical and human features in geography and thinking about what there is in Eye! We have also been practicing our Nativity songs and getting into the Christmas spirit! Last Friday, year 1 took their art outside and used a variety of equipment to create small and large spirals.
Year 2: The children finished reading 'The Owl Who Was Afraid Of The Dark' in English and learnt all about how Plop overcame his fear. The children also enjoyed learning about how christians celebrate the Christmas story across the world, including in Vietnam where their nativity doesn't have shepherds or sheep!
Year 3: In RE, we have been learning all about Christian wedding ceremonies and the traditions involved. The children particularly enjoyed watching clips from the wedding of Prince William and Catherine, spotting some of the special features and traditions of a royal wedding.
Year 4: We have enjoyed beginning to learn our 6 and 9 times tables in maths. In English, we have been focusing on our mastery keys ready to start writing our own Greek myths next week! We have enjoyed learning about the different deities in Hinduism in RE. In Geography, we have been learning about the different climate zones. Ask us which climate zone we live in! .
Year 5: We have kicked off our writing unit with a new book - The Lost Happy Endings. We have been thoroughly enjoying our learning on the 5 Pillars of Islam in RE. In Science this week, we learnt all about gravity and why two objects when dropped from the same height won't land at the same time if they are different masses!
Year 6: We have been diving into Martin Jenkins' wonderful book, 'Can We Save the Tiger?' Inspired by the text, the children have been writing passionately about endangered animals. We have been working hard to incorporate our writing mastery keys - including using parenthesis for extra detail, modal verbs and adverbs to express possibility, and ambitious vocabulary choices- to bring our informative pieces to life!

MORE TO CELEBRATE

Thank you to everyone who contributed towards raising money for the Royal British Legion by buying a poppy or other remembrance items. We were able to raise £498.68 as a school. This is a great contribution towards the worthy cause.

PETERBOROUGH CITY COUNCIL
Kinship Information Event
Thursday 26 November 2026 | 10:00am – 4:00pm
Venue: Fleet Way, High Street, Fletton, Peterborough, Cambridgeshire, PE2 8DL
Join us for a supportive and welcoming information event for kinship carers, families, professionals and anyone wanting to learn more about the support available for children and young people cared for by family and friends.
What to expect
•Information, advice and guidance from local services and partner organisations.
•Opportunities to ask questions and find out what support is available locally.
•A chance to connect with other kinship carers and people with lived experience.
•Helpful information about education, fostering support, wellbeing, literacy, pathways and local kinship support.
